9:30-9:45	Questions and Answers	
3:45-4:00 PM	Apres Ski Refreshments	
4:00-4:45	High Yield Clinical Overview	Andrew Quon, M.D.
4:45-5:30	Understanding the Spread of Disease in the Abdomen; Extraperitoneal Pathways	Robert E. Mindelzun, M.D.
5:30-6:15	PET/CT Tumor Board	Andrew Quon, M.D.
6:15-6:30	Questions & Answers	

Saturday, JANUARY 7 | 2012

7:00-7:30 AM	Registration and Continental Breakfast	
7:30-8:00	SUV is OK	Andrew Quon, M.D.
8:00-8:45	PET/CT Chills and Thrills	Andrew Quon, M.D.
8:45-9:00	Questions & Answers	

COURSE FACULTY

R. Brooke Jeffrey, M.D.
 Professor of Radiology
 Stanford University Medical Center

Stephen Kee, M.D.
 Chief, Interventional Radiology
 Professor of Radiology
 UCLA Medical Center

Robert E. Mindelzun, M.D.
 Professor of Radiology, Emeritus
 Stanford University Medical Center

Andrew Quon, M.D.
 Assistant Professor of Radiology
 Stanford University Medical Center

F. Graham Sommer, M.D.
 Professor of Radiology
 Stanford University Medical Center

Kathryn J. Stevens, M.D.
 Associate Professor of Radiology
 and Orthopaedic Surgery
 Stanford University School of Medicine

ACCREDITATION

Physician Continuing Education Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Postgraduate Institute for Medicine and CME Science. The Postgraduate Institute for Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

The Postgraduate Institute for Medicine designates this live activity for a maximum of 19.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Technologists: ARRT Category A CE Credits have been applied for. Please check the website accreditation page for an update on the exact number of hours being granted.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by PIM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

TUITION AND REGISTRATION

4 WAYS TO REGISTER

- 1 Register and pay online and receive instant confirmation at www.ImagingAtBachelorGulch.com
- 2 You can **call** us toll free at **1-800-383-7116**
- 3 **Fax** this form to **(650) 887-2113**
- 4 You may also mail this registration form to:
 CME Science, 3790 El Camino Real, Suite 2029, Palo Alto, CA, 94306

LIMITED REGISTRATION

Practicing Physicians - \$1195.00/person **Residents, Fellows, RRAs, RPAs, RTs, Allied Health Care** - \$895.00/person
 Please make checks payable to **CME Science**.

THE RITZ-CARLTON BACHELOR GULCH

Experience an exceptional Beaver Creek resort at The Ritz-Carlton, Bachelor Gulch. The Ritz-Carlton, Bachelor Gulch on Beaver Creek Mountain offers guests an unforgettable escape in the heart of the majestic Rocky Mountains. Boasting unparalleled ski-in/ski-out access, a world-class spa and fine dining at Wolfgang Puck's renowned Spago, The Ritz-Carlton hotel in Beaver Creek is a luxurious and revitalizing retreat you'll return to year after year. Guests can literally hit the slopes and finish up the day right from the resort's back lawn. There is a wide array of other winter outdoor activities available to guests at the resort, including snowshoeing, snowmobiling, dog-sledding, cross-country skiing, and hot-air ballooning.

We have reserved a block of Valley View rooms at \$375.00 per night and a block of suites at \$675.00 per night for our conference attendees. Suites and Club Floor rooms may also be available – please ask the reservationist. All rooms are subject to tax and are for single or double occupancy. To receive this special rate please make your reservation no later than December 1, 2011. Rooms are reserved on a first-come, first-served basis, and may sell out before the cut-off date.

Don't be disappointed by waiting too long; call The Ritz-Carlton Bachelor Gulch today direct at **1-970-748-6200** or **1-800-241-3333** to make your reservation. Please identify yourself as a participant of the CME Science Radiology conference.

For more information on The Ritz-Carlton, Bachelor Gulch, please visit their website at:

TRAVEL AND DESTINATION

Beaver Creek Mountain, in the Vail area of Colorado, is one of the most conveniently located ski resorts in Colorado. Vail/Eagle County Airport, serviced by American, Continental, Delta, Northwest, and United Airlines, is only 25 minutes away. In addition, Beaver Creek is only 2 hours from the Denver International Airport. Special meeting discounts on airfare and car rentals have been arranged for our attendees and their guests. Please visit www.ImagingAtBachelorGulch.com for more information.

COURSE OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Describe interventional radiologic procedures for clinical cancer management and the treatment of common vascular diseases
- Outline CT and MRI protocols and techniques for improved clinical diagnosis of diseases of the liver, pancreas and esophagus
- Describe modern Doppler ultrasound methods to accurately diagnose disorders of the liver, kidney and carotid, and gray scale diagnosis of the scrotum, thyroid and parathyroid
- Provide and update on the latest techniques for PET/CT imaging techniques, and application of such techniques throughout the body
- Describe the latest MRI techniques for the diagnosis of disorders of common joints, including the ankle, wrist, elbow and shoulder

TARGET AUDIENCE

This course is intended for practicing radiologists and radiologic nurses, physician assistants, technologists, scientists, residents, fellows and others who are interested in current techniques and applications for advanced diagnostic imaging.
